**REINZ-Dichtungs-GmbH** is an international supplier to the automotive industry specialized in the development and production of sealing technologies. At our plant in Neu-Ulm, more than 1,000 employees develop and manufacture sealing components and systems for renowned brands from Smart to Bugatti. Through its integration into the globally oriented Dana Incorporated, we not only have a strong market position, but also serve our customers on five continents backed by the know-how of 23,000 employees.

We are currently looking for a:

## Quality Assurance Manager (m/f), Neu-Ulm, Germany

### The Challenge:

- ◆ Internal representation of customer requirements
- ◆ Driving Quality Assurance at the Neu-Ulm campus
- ◆ Definition of Quality objectives and monitoring of the progress
- ◆ Definition and development of the quality organization
- ◆ Reporting of Quality results to all relevant parties and maintain Quality records & documentation
- ◆ Interruption of manufacturing or delivery of products when Quality is not assured

### Your Qualification & Experience:

- ◆ Master's degree
- ◆ Proven professional background
- ◆ Manufacturing experience in the automotive industry
- ◆ Solid knowledge in the automotive industry
- ◆ Profound knowledge of Quality in production
- ◆ Process orientation
- ◆ Customer relationship experience
- ◆ Experienced in undertaking internal and external audits
- ◆ ISO 9001, TS16949, ISO 14001

### What we offer:

- ◆ Working in and with international teams
- ◆ Very good development opportunities
- ◆ Internal Well-being management
