

**0006** Technical Service Information

Concerns:	61-28975-20
Make:	Mercedes Benz
Model:	6-cylinder M 104 series engines
Engine code:	M104.941-945 / 980 / 981 / 990-996

**CHG metal reinforcement
Mercedes Benz M 104**

The cylinder head gasket 61-28975-20 has been replaced by 61-28975-30. In this new version, additional metal reinforcements have been added to improve durability, particularly in high-performance engines.
