

## TO DANA REINZ DICHTUNGS GMBH

History repeats itself; the dream continues.

Many podiums, many victories, new records achieved in 2023 in what was Ducati's best season ever in MotoGP.

However limits are there to be exceeded. Challenges to be overcome. Records to be broken.

This is what we have clearly in our mind.

Thanks to all those who believed in us, who shared our same ambitions. This title is yours too!

World Champions Again!
